

RSA Management Group is proud to be a sponsor of BLAST 2016

RSA Buying Group is a cost cutting purchasing program established for Randolph-Sheppard vendors, veterans, food trucks/carts, office coffee, micro market, and food service operators.

Our core mission is to help reduce costs by negotiating rebate contracts with all of the major beverage and snack manufacturers, as well as establishing arrangements with local and national distributors.

There are no out-of-pocket expenses to join, but rather a share of the rebates earned.

RSA Connect offers total and seamless integration, along with Rewards, cashless vending, remote reporting, transparency, health & wellness and green initiatives.
